

**ВНИМАНИЕ!!** Значок с микрофоном означает, что в задании находится напечатанный текст с английскими словами и предложениями, которые вы должны сами говорить ребенку, который озвучен. Ищите аудиофайл в списке заданий.

**График занятий - С какой периодичностью выполнять задания:**

### **Папка Cartoons**

Мультфильмы (про Гого)

Эти 2 части мультика про Гого смотрим каждый день ( или через день –как пойдет) и работаем с лексикой из мультфильма. Во время прогулки, когда дома играете с игрушками.

Остальные 3 мультфильма

- My magic train
- Grandpa Pig's Train to the Rescue
- Last train for Christmas

можете показывать сразу после Гого, выбрав 1 из трех. Либо спустя несколько часов, чтобы не перегружать зрение, если ребенок совсем маленький еще.

Выберите 1 мультфильм из трех и каждый день показывайте 1 из трех или 2 из трех, чередуя их.

### **Папка Bathroom**

Используем эти слова каждый раз, когда с ребенком заходите в ванную комнату, чтобы почистить зубки или искупаться.

### **Папка Cards**

Каждый день по 3 показа (утром, днем и вечером).

### **Папка Songs**

Каждый день сморим эти песни вместе с малышом и все показываем.

### **Папка Books**

Включайте каждый день на ночь или в течении дня фоном.

### **Папка Counting\_colours\_abc**

Занимайтесь каждый день.

### **Папка Crafts**

Занимайтесь творчеством по желанию. Если за неделю переделаете все поделки будете большим молодцом.
